

Hello! I am James Bowe, representing C. B. Hall Insurance Agency, Inc. in Charleston, WV, a member of **Trusted Choice**. You recently requested a Flood Insurance Quote from **Trusted Choice** and they referred your request to us. Please understand that if you are interested in coverage provided by the **National Flood Insurance Plan (NFIP)**, the price is the same no matter which agent you buy it from, so a second quote should be the same, as long as all quoting info is the same. If, however, you are interested in a first-time NFIP quote or perhaps have interest in another "*Private*" Flood Insurance plan *besides* the NFIP, we have options to offer you. If you will answer a few questions, we would be pleased to assist you. The questions are as follows:
